The Skystone Camulod Chronicles 1
This is volume one of the Camulod Chronicles. A retired centurion, now an ironsmith, finds the secret of the mysterious ore-bearing stones that fell "from the sky". This forges a link to a legend born two centuries later with the arrival of King Arthur.

The Skystone is a historical fiction novel written by Jack Whyte, which was first published in 1992. The story is told by a Roman Officer called Publius Varrus, who is an expert blacksmith as well as a soldier. In the early fifth century, amid the violent struggles between the people of Britain and the invading Saxons, Picts and Scots, he and his former General, Caius Britannicus, forge the government and military system that will become known as the Round Table, and initiate a chain of events t

The Skystone - Wikipedia

This series, called the Camulod Chronicles in the US, and A Dream of Eagles in Canada, is the author's incredibly well-researched imaginary speculation on how the Arthurian legend grew from actual events that occurred in Britain after the Romans withdrew their Legions from the island.

In 5th Century, two disgruntled Roman soldiers help King Ullic Pendragon create an independent Britain. By the author of The Crystal Cave.

This first novel in Jack Whyte's riveting Arthurian series tells how the story of Camelot may have actually come to be. We all know the story—how Arthur pulled the sword from the stone and how Camelot came to be. But how did it really happen? The Roman citizens of Britain faced a deadly choice: leave to live in a corrupt Roman world, or stay amidst the violence of the warring factions of Picts, Celts, and invading Saxons. For Publius Varrus and Caius Britannicus, there is only one answer. They will stay, try to preserve the best of Roman life, and create a new culture from the wreckage. In doing so, they will plant the seeds of a legend. For these two men are Arthur's great-grandfathers and their actions will shape a nation...and forge the sword known as Excalibur. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Born of the chaos of the Dark Ages, the Dream of Eagles produced a king, a country and an everlasting legend—Camelot Publius Varrus is a veteran Roman officer and a maker of swords. In the early fifth century, amid the violent struggles between the people of Britain and the invading Saxons, Picts and Scots, he and his former general, Caius Britannicus, forge the government and military system that will become known as the Round Table, and initiate a chain of events that will lead to the coronation of the High King we know today as Arthur. Rich in historical detail, brimming with drama, intrigue and passion, The Skystone gives new resonance to an enduring and powerful legend.

In a time preceding King Arthur and Camelot, two Roman men, Publius Varrus and Caius Britannicus, Arthur's great-grandfathers, try to preserve the best of Roman life and build a new culture out of the wreckage of the old and, in doing so, create a legend, in a new edition of the first volume in the popular Arthurian series. Reprint.

The Eagles' Brood by Jack Whyte continues the saga of the Colony known as Camulod, and the tale of the descendants of those brave Romans who forged a new way of life for the Celt and Roman peoples when the Roman legions departed Britain. Most know the new leader of the Colony as Merlyn; all call him Commander. Caius Merlyn Britannicus is responsible for their safety, and all look to him for guidance, leadership, justice, and salvation. It is a harsh life but a good community, and Merlyn is dedicated to spreading the influence of Roman culture beyond the Colony's borders. Uther Pendragon, the man who will father the legendary Arthur, is the cousin Merlyn has known and loved since they were birthed, four hours apart on the same day, the year the legions left Britain. He is the tireless warrior—the red dragon to Merlyn's great silver bear—and between the two of them, the Colony knows few enemies. As different as they can be, they are inseparable: two faces of the same coin. In a world torn apart by warfare and upheaval, each is the other's certainty and guarantee of the survival of the Colony . . . until a vicious crime, one that strikes at the roots of Merlyn's life, drives a wedge between them. A wedge that threatens the fate of a nation . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Merlyn Britannicus and Uther Pendragon—the Silver Bear and the Red Dragon—are the leaders of the Colony, lifeblood to the community from which will come the fabled Camulod. But soon their tranquility is in ruins, Uther lies dead from treachery, and all that is left of the dream is the orphaned babe Arthur. Heir to the Colony of Camulod, born with Roman heritage as well as the blood of the Hibernians and the Celts, Arthur is the living incarnation of the sacred dream of his ancestors: independent survival in Britain amidst the ruins of the Roman Empire. When Arthur is adopted by Merlyn Britannicus, an enormous responsibility is placed on Merlyn's shoulders. Now he must prepare young Arthur to unify the clans of Britain and guard the mighty sword Excalibur. And, above all, Merlyn must see that Arthur survives to achieve the rest of his ancestors' dreams, in spite of the deadly threats rumbling from the Saxon Shore. "Of the scores of novels based on Arthurian legend, Whyte's Camulod series is distinctive, particularly in the rendering of its leading players and the residual Roman influences that survived in Britain during the Dark Ages."--The Washington Post At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Jack Whyte has written a lyrical epic, retelling the myths behind the boy who would become the Man Who Would Be King--Arthur Pendragon. He has shown us, as Diana Gabaldon said, "the bone beneath the flesh of legend." In his last book in this series, we witnessed the young king pull the sword from the stone and begin his journey to greatness. Now we reach the tale itself-how the most shining court in history was made. Clothar is a young man of promise. He has been sent from the wreckage of Gaul to one of the few schools remaining, where logic and rhetoric are taught along with battle techniques that will allow him to survive in the cruel new world where the veneer of civilization is held together by barbarism. He is sent by his mentor on a journey to aid another young man: Arthur Pendragon. He is a man who wants to replace barbarism with law, and keep those who work only for destruction at bay. He is seen, as the last great hope for all that is good. Clothar is drawn to this man, and together they build a dream too perfect to last--and, with a special woman, they share a love that will nearly destroy them all... The name of Clothar may be unknown to modern readers, for tales change in the telling through centuries. But any reader will surely know this heroic young man as well as they know the man who became his king. Hundreds of years later, chronicles call Clothar, the Lance Thrower, by a much more common name. That of Lancelot. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Beginning with The Skystone, the first in his riveting Camulod Chronicles, Jack Whyte has embarked on an ambitious and remarkable re-telling of the Arthurian cycle, giving us a fresh and compelling take on a story that has been beloved for centuries. The Eagle brings us at last to the heart of the tale, the creation of fabled Camelot and the love story that enshrined its glory. Whyte takes us into the minds and lives of Arthur, Guinevere, and Lancelot, three astonishing but fallible people who were bound together by honor, loyalty, and love. Three who created the glory that was Britain's shining dream...and, some say, caused its downfall. The Gaulish nobleman Clothar—known in our time as Lancelot—is drawn to the young High King's court by tales of honor and nobility, where he meets a man whose love of law matches his own. More, he finds in Arthur a life-long friend whose dream of uniting the people of Britain in peace Clothar embraces. And Clothar meets Arthur's queen, a wondrous beauty whose passion and ideals match her husband's. Together they work to bring Arthur's dream to life. But dark forces rise in opposition to Arthur's plans for creating this noble island nation and it is hard to tell friend from foe in the swirling chaos that ensues. Many tales have been told of the dream that shined and died. This one will astonish even the most jaded. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Throughout the widely praised Camulod Chronicles, Merlyn Britannicus has been driven by one sacred dream—to see Britain united under one just, powerful king. In The Sorcerer: Metamorphosis, it is time for the Sorcerer to fulfill his promise—to present the battle-proven Arthur as the Riothamus, the High King of Britain. When Arthur miraculously withdraws the Sword of Kingship from the stone in which it is set, he proves himself the true and deserving king—sworn to defend the Christian faith against invaders, and to preserve Britain as a powerful, united force. The Sorcerer has fulfilled his promise. The King is crowned, Britain is united—and the face of history and legend is forever changed. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The new Templar novel from the USA Today bestselling author On the morning of October 13, 1307, every Templar knight in France is arrested by the order of King Philip IV, who then seizes all the Order's assets and set the Inquisition against them. Warned of the plot, Sir William St. Clair flees from France with the Temple's treasure, several hundred knights, and the widow Lady Jessica Randolph to seek sanctuary in Scotland. There, with his men deprived of everything they valued and held dear at home, he will lead them into battle as Templar Knights one last time in defiant support of a king who is not their own, but who has earned their trust.
