PDF»» The Softwood Lumber War: Politics, Economics, and the ...

The Canada-U.S. softwood lumber dispute is one of the largest and most enduring trade disputes between both nations. This conflict arose in 1982 and its effects are still seen today. British Columbia, the major Canadian exporter of softwood lumber to the United States, was most affected, reporting losses of 9,494 direct and indirect jobs between 2004 and 2009. The heart of the dispute is the claim that the Canadian lumber industry is unfairly subsidized by federal and provincial ...

Canada-United States softwood lumber dispute - Wikipedia

Softwood lumber is excluded from the continental trade agreement. Lumber producers in both countries continually bicker over whether Canadian companies' cheap access to public forests constitutes an illegal subsidy.
