Philosophy continues its search, instructe by faith. But, in this brief review, we must move on to Volume 2 Ethics and Politics . There are interesting chapters here on KantMill, Burke, and others, but the one that most impressed this reviewer was oMarxism - a chapter written as a kind of journal of the author's thinkin between 1953 and 1995.

A third task in Against the Self-Images of the Age was therefore to reconsider some central issues in moral philosophy and the philosophy of action. Yet the effect of rereading these essays in 1971, when collected together in a single volume, was to make me painfully aware of how relatively little had been accomplished in that book and how much ...
