"Vivid and engaging."—Publishers Weekly, starred review **Embrace the Power Inside You** It's no wonder that introversion is making headlines—half of all Americans are introverts. But if that describes you—are you making the most of your inner strength? Psychologist and introvert Laurie Helgoe unveils the genius of introversion. Introverts gain energy and power through reflection and solitude. Our culture, however, is geared toward the extrovert. The pressure to get out there and get happier can lead people to think that an inward orientation is a problem instead of an opportunity. Helgoe shows that the exact opposite is true: introverts can capitalize on this inner source of power. Introvert Power is a blueprint for how introverts can take full advantage of this hidden strength in daily life. Revolutionary and invaluable, Introvert Power includes ideas for how introverts can learn to: •Claim private space •Bring a slower tempo into daily life •Deal effectively with parties, interruptions, and crowds Quiet is might. Solitude is strength. Introversion is power. "A modern-day Thoreau."—Stephen Bertman, author of **The Eight Pillars of Greek Wisdom**

For anyone who loved Susan Cain's Quiet, comes this practical manifesto sharing the joys of introversion... This clever and pithy book challenges introverts to take ownership of their personalities...with quiet strength. Sophia Dembling asserts that the introvert's lifestyle is not "wrong" or lacking, as society or extroverts would have us believe. Through a combination of personal insights and psychology, **The Introvert's Way** helps and encourages introverts to embrace their nature, to respect traits they may have been ashamed of and reframe them as assets. You're not shy; rather, you appreciate the joys of quiet. You're not antisocial; instead, you enjoy recharging through time alone. You're not unfriendly, but you do find more meaning in one-on-one connections than large gatherings. By honoring what makes them unique, this astute and inspiring book challenges introverts to "own" their introversion, igniting a quiet revolution that will change how they see themselves and how they engage with the world.

Would it surprise you to know that Joanna Gaines, Abraham Lincoln, Albert Einstein, Oprah, Jerry Seinfeld, C. S. Lewis, Max Lucado, and Meryl Streep are all introverts? Even though introverts make up half the population, most people still don't fully understand what it means to be one. Research shows the qualities introverts may see as struggles can be their greatest strengths. Introverts don't need to act more like extroverts to thrive, lead, and make a difference. Instead, they need to truly understand who God created them to be so they can avoid pitfalls like insecurity or anxiety and bravely offer their gifts to the world. In this transformative book, Holley Gerth dives into the brain science behind introversion to help you understand the psychological, relational, and spiritual aspects of being an introvert. She explores how introverts can make meaningful connections, experience quiet confidence, cultivate soul-filling solitude, exercise unexpected influence, and much more. If you're an introvert, or if you love, lead, or share life with an introvert, you need this empowering, insightful book!

An insightful, empowering guide to making the most of your hidden strengths. Are you energized by spending time alone? In meetings, do you need to be asked for your opinions and ideas? Do you tend to notice details that other people miss? Is your ideal celebration a small get-together rather than a big party? Do you often feel like a tortoise surrounded by hares? The good news is, you're an introvert. The better news is that by celebrating the inner strengths and uniqueness of being introverted, **The Introvert Advantage** shows introverts how to work with instead of against their temperament to enjoy a well-lived life. Covering relationships, parenting—including parenting an introverted child—socializing, and the workplace, here are coping strategies, tactics for managing energy, and hundreds of valuable tips for not only surviving but truly thriving in an extrovert world. "Filled with Aha! moments of recognition, Dr. Laney's book will help millions of introverts understand why they are misunderstood, learn to appreciate who they are, and develop a just-right life in a world where extroverts once ruled." —Paul D. Tieger, coauthor of **Do What You Are** "In a world of shock jocks, screaming rock stars, and sensational journalism, this book dispels the myth that only the loud and flamboyant get ahead. Its clear, step-by-step advice will help introverts recognize and capitalize on their unique strengths." —Dr. Bernardo J. Carducci, author of **Shyness: A Bold New Approach**

What do Elon Musk, Warren Buffet, Marissa Mayer, and Bill Gates all have in common outside of being wildly successful? They are all introverts. In today's fast-paced, unstable workplace achieving success requires speaking up, promoting oneself and one's ideas, and taking initiative. Extroverts, fearless in tooting their own horns, naturally thrive in this environment, but introverts often stumble. If you question your ability to perform and succeed in this extroverted work culture, **The Introvert's Complete Career Guide** is custom fit for you. In this supportive, all-inclusive handbook, Jane Finkle demonstrates how to use your introverted qualities to their best advantage, then add a sprinkling of extroverted skills to round out a forceful combination for ultimate career success. Finkle shares the keys to navigating each stage of professional development—from self-assessment and job searching, to survival in a new position and career advancement. In **The Introvert's Complete Career Guide** you will learn to: Build confidence by evaluating your values, personality style, interests, and achievements Write the story of your career in resume and LinkedIn formats Use social media at your own comfort level to promote your career and expand your network Express yourself clearly and confidently in network meetings, interviews, and workplace situations Build strong professional relationships with colleagues and senior leaders Overcome fears that prevent you from embracing new challenges Equally applicable to the real or virtual workplace, **The Introvert's Complete Career Guide** provides strategies, tools, and success stories that win you the professional respect and recognition you deserve.

An introvert guide and manifesto for all the quiet ones—and the people who love them. Is there a hidden part of you that no one else sees? Do you have a vivid inner world of thoughts and emotions that your peers and loved ones can't seem to access? Have you ever been told you're too "quiet," "shy," "boring," or "awkward"? Are your habits and comfort zones questioned by a society that doesn't seem to get the real you? If so, you might be an introvert. On behalf of those who have long been misunderstood, rejected, or ignored, fellow introvert Jenn Granneman writes a compassionate vindication—exploring, discovering, and celebrating the secret inner world of introverts that, only until recently, has begun to peek out and emerge into the larger social narrative. Drawing from scientific research, in-depth interviews with experts and other introverts, and

her personal story, Granneman reveals the clockwork behind the introvert's mind—and why so many people get it wrong initially. Whether you are a bona fide introvert, an extrovert anxious to learn how we tick, or a curious ambivert, these revelations will answer the questions you've always had: What's going on when introverts go quiet? What do introvert lovers need to flourish in a relationship? How can introverts find their own brand of fulfillment in the workplace? Do introverts really have a lot to say—and how do we draw it out? How can introverts mine their rich inner worlds of creativity and insight? Why might introverts party on a Friday night but stay home alone all Saturday? How can introverts speak out to defend their needs? With other myths debunked and truths revealed, *The Secret Lives of Introverts* is an empowering manifesto that guides you toward owning your introversion by working with your nature, rather than against it, in a world where you deserve to be heard.

The monumental bestseller *Quiet* has been recast in a new edition that empowers introverted kids and teens. Susan Cain sparked a worldwide conversation when she published *Quiet: The Power of Introverts in a World That Can't Stop Talking*. With her inspiring book, she permanently changed the way we see introverts and the way introverts see themselves. The original book focused on the workplace, and Susan realized that a version for and about kids was also badly needed. This book is all about kids' world—school, extracurriculars, family life, and friendship. You'll read about actual kids who have tackled the challenges of not being extroverted and who have made a mark in their own quiet way. You'll hear Susan Cain's own story, and you'll be able to make use of the tips at the end of each chapter. There's even a guide at the end of the book for parents and teachers. This insightful, accessible, and empowering book, illustrated with amusing comic-style art, will be eye-opening to extroverts and introverts alike.

Tap Into Your Natural Introvert Strengths in the Office with Actionable Tips and Advice Introverts make up one half of the population, and we're hardwired to thrive—especially in the workplace! However, it's not uncommon for introverts to feel out of place in the office, where it seems the only ones succeeding are outgoing personalities ready to toot their own horn. Thea Orozco busts that myth, showing how the workplace is truly a setting for introverts to succeed based on their innate skillset and natural introvert strengths. With topics ranging from overcoming phone phobia to developing an authentic leadership style, *The Introvert's Guide to the Workplace* guides introverts through thriving at work without having to shout—whether you are a boss, an employee, or a career person. Learn from actionable tips and practical advice, and surmount office challenges and let your introversion take the lead: Combat interview anxiety Make meaningful connections at networking events Be heard and noticed at meetings or on the stage Overcome imposter syndrome Become an effective leader with your introvert strengths And more! Including diverse expert interviews, *The Introvert's Guide to the Workplace* is every working introvert's handbook and guide that they can refer to throughout their career for guidance on tricky or draining situations and motivation to enlist the power of their inner introvert to succeed.
