from a girlfriend who discovers his secret to a client who turns against him and threatens to reveal all. Smart, erotic and eye-opening, Whatever She Wants reveals exactly what type of woman is willing to part with her money in search of sex, and what type of man is willing to provide it...

Dave meets a new girlfriend Susan, who he finds out was working as a part time Escort.... She was introduced to the game by her friend and eventually Dave became suspicious and confronted her. She then gives up visiting clients but is offered the chance to take over the agency as her boss was retiring and moving down to Devon. Dave and Susan take over the agency and the story is about how it all happened and the working girls and what they had to do. Excerpt...."So what happened Susan?" "Well, I told him it was my first time and never done anything like that before ... he sort of calmed down a bit and made me to sit on the bed with him. He said he was sorry and didn't know it was my first time and said, he understood and would be gentle with me." "I was feeling so horny at this point, I was on top of Susan fucking her really slowly as I got her to tell me more... She continued, "He started to hug me and then he was kissing me ... his hands were inside my blouse and bra, squeezing my tits and then he was between my legs ... He made me lie down on the bed while he went down on me... you know ... He pulled my knickers and tights right off but I still had my skirt and blouse on, then he was licking and fingering me... I started crying again but he didn't stop, I just lay there on the bed and let him do it. Then he got up and told me to take my clothes off ... he stripped off as well ... he was really looked really old and had a big belly. He told me not to cry but seemed to like seeing me upset ... And then he was on top of me ... he put it in and fucked me really hard for about 3 minutes ... grunting like a pig. When he finished, he got off and told me to play with myself while he watched me, sitting in a chair and playing with his dick again." Excerpt from Chapter 3 - Some of the girls. Sharon lived in a beautiful big house in Surrey, a real stunner with long blond hair, she was like Purdy in the Avengers TV series, if you can remember that far back. Recently divorced with 2 lovely children running around in the garden. We sat there drinking tea from her expensive china tea set in the kitchen, discussing all kinds of things as if her escort work was completely normal. She was obviously quite well off and enjoyed escorting to supplement her income. If you ever met Sharon, you would never believe she was working as an escort. I used to find it really interesting meeting the girls and collecting our fees. Sharon was one of the original girls and regularly paid us £200 - 300 in weekly agency fees. I remember once when she refused to go and see a client. He had specifically asked to see her again ... She told us, he was a young guy in his early thirties and very strong, like a muscle builder. She was mid 40's and beautiful... Anyway, he apparently fucked her for hours and she told us... he wouldn't let her go home... He was like an animal, fucking without cumming for over an hour. Then forcing her to do anal and sucking his cock. She said, she was crying because she was so sore

and he wouldn't stop. He apparently really enjoyed hurting her and forcing his cock down her throat making her choke and gag. The poor girl was sobbing her heart out while telling me what he did to her. On top of all that, he still only paid her for an hour when it should have been 3 hours. We eventually found him another girl that day, and did warn her what he was like, but after her telling us a similar story after she saw him, I had to tell him, that our girls were refusing to meet him... and if he called us again, we would not be able help him. He got all abusive and told us there was nothing we could do as the girls were all slags and prostitutes and we could all fuck off...

High-profile escort, journalist, author, mum and sex-industry pioneer. A woman who prides herself on staying true and being empowered - even mentoring other women - yet who, when it comes to her own life, had become a dishevelled bloody mess. We left Samantha X confused at the end of HOOKED - should she stay escorting or hang up her high heels? In this fascinating, compelling sequel we see Samantha grow in to her new role as boss of her escort agency Samantha X Angels, how she deals with the girls, falling in love with Mr Big (while still managing to sneak in a few clients) ... and much, much more! BACK ON TOP is fast-paced and occasionally outrageous, told with the flair readers loved in HOOKED. Samantha X does not hold back when it comes men, love, sex - and getting herself back on top.

As his secret diary extends into his later teen years, the angsty Brit remains "part Holden Caulfield, part . . . Bertie Wooster" and all Adrian (The New York Times). Send my diaries back. I would hate them to fall into unfriendly, possibly commercial hands. I am afraid of blackmail; as you know my diaries are full of sex and scandal. What's happening to Adrian Mole? He's on the cusp of adulthood and burgeoning success as a published poet. But . . . he still lives at home, refuses to part with his threadbare stuffed rabbit, and has lost his job at the library for a shocking act of impudence: He shelved Jane Austen under "light romance." Even worse, someone named Sue Townsend stole his diaries and published them under her own name. Of course they were bestsellers. The "brilliant comic creation" returns, sharing his poetry (award-winning!), travel journals (he's going places), musings on lost love (more of an obsession), and some major news (he's writing a novel!) (The Times). But not all the confessions are his alone. We also hear from that notorious pilferer Townsend, who, after receiving a suspended prison sentence, now lives in shame in a bleak moorland cottage. Don't tell Adrian, but the New York Times Book Review still insists that it's she who "is a national treasure." From "one of Britain's most celebrated comic writers" (The Guardian) comes the inventive new novel in the "perceptive and funny" (The New York Times) series that has sold more than twenty million copies worldwide, was adapted for television and staged as a musical, and is nothing less than "a phenomenon" (The Washington Post).

No one said being a spy for the British government would be easy. When Miss Mary Bennet is assigned to London for the Season, extravagant balls and eligible men are the least of her worries. A government messenger has been murdered and suspicion falls on the Radicals, who may be destabilizing the government in order to compel England down the bloody path of the French Revolution. Working with her fellow spies, Mr. William Stanley and Miss Fanny Cramer, Mary must investigate without raising the suspicions of her family, rescue her friend Miss Georgiana Darcy from a suitor scandal, and solve the mystery before anyone else is harmed—all without being discovered, lest she be exiled back to the countryside. This is the perfect job for a woman who exists in the background. Can Mary prove herself, or will this assignment be her last?

Now the subject of the hit documentary Scotty and the Secret History of Hollywood, praised by Vanity Fair as "full of revelations" and Entertainment Weekly as "deliciously salacious," Full Service is the

remarkable true story of Scotty Bowers, the "gentleman hustler," during the heyday of classic Hollywood. Newly discharged from the Marines after World War II, Bowers arrived in Hollywood in 1946. Young, charismatic, and strikingly handsome, he quickly caught the eye of many of the town's stars and starlets. He began sleeping with some himself, and connecting others with his coterie of young, attractive, and sexually free-spirited friends. His own lovers included Edith Piaf, Spencer Tracy, Vivien Leigh, Cary Grant, and the abdicated King of England Edward VIII, and he arranged tricks or otherwise crossed paths with Tennessee Williams, Charles Laughton, Vincent Price, Katharine Hepburn, Rita Hayworth, Errol Flynn, Gloria Swanson, Noël Coward, Mae West, James Dean, Rock Hudson and J. Edgar Hoover, to name but a few. Full Service is not only a fascinating chronicle of Hollywood's sexual underground, but also exposes the hypocrisy of the major studios, who used actors to propagate a myth of a conformist, sexually innocent America knowing full well that their stars' personal lives differed dramatically from this family-friendly mold. As revelation-filled as Hollywood Babylon, Full Service provides a lost chapter in the history of the sexual revolution and is a testament to a man who provided sex, support, and affection to countless people.
