company with consideration of Porter ' s Five Forces model and Value Chain Analysis. Then, the paper identifies what the company ' s current sustainable competitive advantages and its weakness are. Recommendation on how to tackle these weaknesses will be given afterwards. For a huge company like Volkswagen it takes a lot of effort to maintain their great brand reputation, to sustain that they have to make sure they fulfill the needs and wants of their customers and satisfy them. Although the brand portfolio includes brands like Skoda, Bugatti and Lamborghini the company still ranks high in the mind of customers. Even so having some problems in the automotive industry recently they must start looking forward and try finding solution as it might affect their brand image which can cause them huge
