This volume investigates nuclear  
energy policies in Western Europe

# Download Free Western Europe 2013 World Today

over the entire post-war period, but with special attention to the two most recent decades. The comparative analytical perspective draws on the interplay between voters' attitudes, challenging movements, party competition,

# Download Free Western Europe 2013 World Today

and coalition formation. Spanning more than 60 years and 16 countries, the researchers examine the underlying causal processes leading to the observed varieties of Western European nuclear energy policies. Based on a mixed methods approach using

## Download Free Western Europe 2013 World Today

both structured case studies as well as quantitative analyses, the study shows that the nature of party competition under given institutional contexts is a key-driver for, as a rule, tactically motivated governmental policy changes and stability,

# Download Free Western Europe 2013 World Today

respectively. Part I introduces the practical and theoretical relevance of the topic. It outlines the reasoning of the major scientific contributions with regard to nuclear energy policies, and offers a theoretical alternative to the previous

# Download Free Western Europe 2013 World Today

literatures that has been predominantly movements-oriented. Additionally, it provides core economic and political indicators of the changing role of nuclear energy in the countries. Part II consists of seven in-depth case studies where the outlined

## Download Free Western Europe 2013 World Today

theoretical perspective is applied. Part III consists of a general summary, short narratives of the countries not covered in case studies, qualitative comparison and an assessment of the factors for policy change from multivariate analysis.

# Download Free Western Europe 2013 World Today Stryker

This edited collection explores how contemporary western European film can reflect on and contribute to discourses of conflict and survival in the new century.

# Download Free Western Europe 2013 World Today

Political Change in Switzerland explains the striking recent political developments in Switzerland, an important but surprisingly little known and often misunderstood country, aiming to dissipate prevailing myths about Switzerland in its European

# Download Free Western Europe 2013 World Today

context. Firstly, the title provides an analysis of the way the practice and processes of Swiss politics have so dramatically changed over the last 25 years, setting out the differences between outside perceptions and changing Swiss realities.

## Download Free Western Europe 2013 World Today

Secondly, it discusses how far the country has moved, from the stability of the post-war period to a new era of uncertainty, in which the so called Sonderfall, or special case, no longer seems to apply. In doing so it analyses the populist movement, centred on the Swiss

## Download Free Western Europe 2013 World Today

People's Party, examining its support and tactical operations, as well as the response of the establishment to the challenges the movement poses, both generally and where key questions of policy on foreigners and the EU are concerned.

# Download Free Western Europe 2013 World Today

Finally, the title explains how much of this change is related to Europe, and discusses the prospects for Switzerland, Europe and the EU member states in the light of this new Swiss uncertainty. The way in which globalization has imposed new

# Download Free Western Europe 2013 World Today

Stresses on Switzerland, both in external policy and social terms, is the key theme of the title.

These stresses have, in turn, encouraged the growth of a new populist movement, drawing on social classes previously supportive of other forces, and

## Download Free Western Europe 2013 World Today

employing aggressive new tactics, creating a challenge that the establishment has found it hard to counter, so that stability has been compromised. As a result, Switzerland now faces two linked policy challenges, to find ways of accommodating unease

## Download Free Western Europe 2013 World Today

about immigration and to devise a realistic and widely acceptable new relationship with the EU. The book's underlying belief is that these changes have left the country divided and uncertain about its future. This title offers in-depth analysis of Switzerland's

# Download Free Western Europe 2013 World Today

domestic and European politics and policies. It is also innovative in trying both to bring out the European roots of recent political changes in Switzerland and of the challenges these pose to the Swiss status quo and for the evolution of the EU and member

# Download Free Western Europe 2013 World Today

Switzerland such as the United Kingdom. This is a book for those interested in Switzerland, academics, business people, diplomats, journalists and political commentators.

Dejan Petkov explores the

# Download Free Western Europe 2013 World Today

tramway renaissance in Western Europe from a socio-technical standpoint and focuses on the development in Germany, France, and England. A multiple case analysis reveals the drivers, impact forces, actors and interest constellations behind the

## Download Free Western Europe 2013 World Today

tramway renaissance in these countries and demonstrates the large variations in local systems and their style. A key finding is that there can be quite different paths to the success of tramway systems, but this success usually comes at a cost and can have a

# Download Free Western Europe 2013 World Today

comprehensive character only if the systems are considered an integral part of the overarching strategies and concepts for urban and regional development.

The book will focus on three key aspects of delivery of child health

# Download Free Western Europe 2013 World Today

**Services:** service integration and coordination, public health measures, and enhancing the quality of care for children. Taking a child-centric view on understanding how health services and systems work the book aims to contribute towards

# Download Free Western Europe 2013 World Today

improving children's health through deepening the understanding of children's health services. Focusing primarily on the western European countries the book draws on research conducted with child health leaders in ten countries: Austria,

# Download Free Western Europe 2013 World Today

Britain, Finland, France, Israel, Italy, Netherlands, Norway, Poland, and Sweden. The chapters include clinical scenarios designed to help identify and describe the various ways in which children and their families negotiate health services when

## Download Free Western Europe 2013 World Today

dealing with twelve different conditions. Using clinical scenarios in this way allows the book authors to capture the diverse aspects of each health system as well as assessment and analysis of the challenges involved in each, and their

# Download Free Western Europe 2013 World Today

Successes and failures.

This unconventional book addresses the imbalance of power between countries that give and receive funds for international financial development, with particular

# Download Free Western Europe 2013 World Today

attention to the outcomes and impacts of this imbalance on recipient countries. It provides an in-depth analysis of the perceptions that population segments of recipient countries have of the power plays inherent in giving and receiving financial

## Download Free Western Europe 2013 World Today

assistance, delving deep into the factors that affect these perceptions to examine how and why developed countries wield power over countries receiving financial assistance. While the text focuses primarily on African countries, it also addresses the

# Download Free Western Europe 2013 World Today

broader power imbalance between developed countries in the global north and developing countries in the global south. It also examines perceptions of development assistance and power imbalance between the global south in general and the

## Download Free Western Europe 2013 World Today

BRICS countries which provide assistance to the global south in particular. This book is an ideal tool for those studying the socioeconomic impacts of international financial assistance to developing countries.
