What Is Life? A Guide to Biology, 4th Edition | Macmillan ...

Life insurance is a financial product that enables you to leave behind money for your family when you die. This can be used to support them for a number of years, to replace lost income, or to pay off a large debt such as your mortgage. You pay a monthly premium for life insurance.

What is life insurance? The different types of life ...

A short, clear, and simple handbook on how to live a proper Buddhist lay life was therefore a much felt need. The present essay attempts to fill that gap by providing exactly what its title offers: A Simple Guide to Life. For easy reference the essay has been divided into short, convenient sections. The first section is theoretical in emphasis.

A Simple Guide to Life

When you buy life cover, it can last either for a fixed period or for the rest of your life. A policy that lasts for a fixed time period is known as term. If you only want cover for your mortgage — which will typically last 25 years — or to give your family a financial safety net, then term insurance is usually more appropriate.

Over 50 life insurance is an affordable type of life cover for anyone over 50. You pay a monthly premium and the policy pays out a cash lump sum when you die. You'll find everything you want to know, and need to know, about life insurance for the over 50s in this simple and straightforward guide.

A complete guide to over 50 life insurance | SunLife

It's cheaper than level term life assurance as the insurer usually has to pay a lot less. See our Mortgage Life Insurance guide for how to get it. However, if you want to leave a lump sum for your dependants to cover other debts and ongoing spending, a level term life insurance policy, while more expensive, is likely to be a better option.
