Writing Down The Bones is a personal reflection on the craft and what works for Goldberg and might work for you. It's easy to digest, coming in short chapters, and it really does make you think about what you write, how you sit down to work, whether you're really dedicated to writing. The allusions to Buddhism and Judaism and how they affect her

Writing Down the Bones Quotes by Natalie Goldberg

Writing Down the Bones is a gem of a listen, it's like the oddest little ear candy ever. Her steady metronome style of speaking is filled with rules of engagement, with kindness, and with some arguments to counter your own self when you meet your true resistance. This was written well before the marketing / writing / promoting self-help boom came along, and thank goodness. Natalie Goldberg's ...
